

ARE YOU INTERESTED IN A CAREER IN COMPUTER SUPPORT?

Computer Support Specialist Training

JARI is offering a 435-hour Computer Support Specialist Certificate based training program at NO COST to eligible residents of the City of Johnstown.

The program will be conducted by Pennsylvania Highlands Community College. The program will offer graduates the option to earn industry based credentials needed to obtain employment in business, communications, education, information technology, manufacturing, medical and other industries that provide technical support. The program will also provide graduates with 29 credits toward an Associate's Degree. Classes are tentatively scheduled to begin February 2022 and conclude in September 2022.

Seating is limited to 15 participants. Individuals who meet the requirements will be enrolled in the course on a first come basis. If you are interested in learning more about the program and would like to register for an information session, please contact Debi Balog, Director, Workforce Development via email at dbalog@jari.com or by calling 814-262-8366 or 814-262-8369.
