

Welcoming Residents back to Prospect!

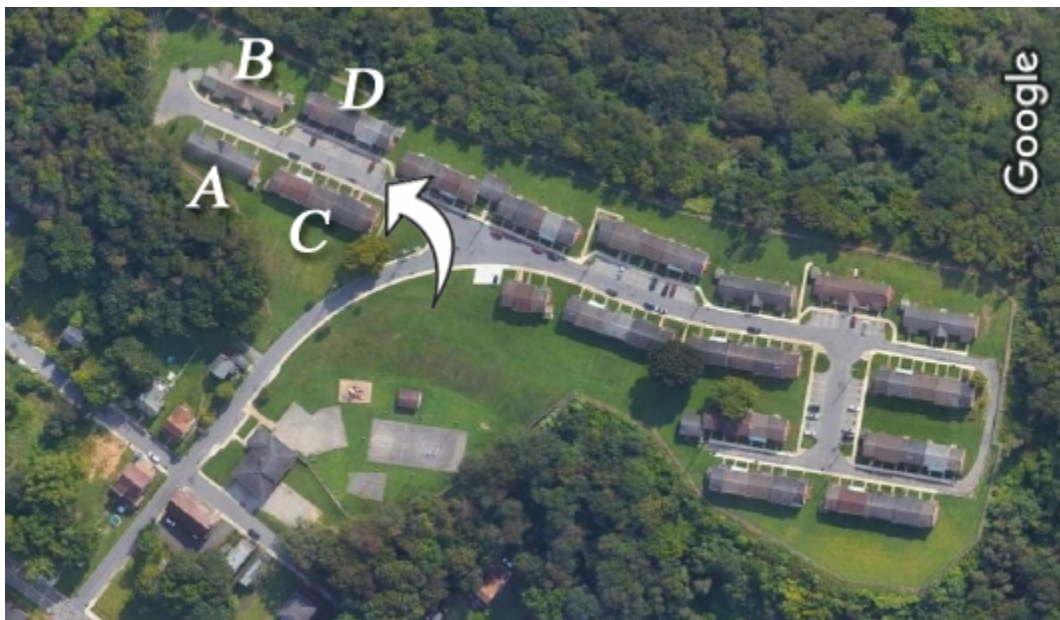

As repairs in some apartments are in the final phases of completion, we are beginning to contact former Prospect residents by mail so that they can apply to return to their previous home. Included in the packet will be a signature page to indicate if they are interested in returning to Prospect, and a housing application or transfer application. All applications will be processed normally, aside from having a special preference as a former Prospect resident.

The first phase of buildings to be completed and ready to occupy includes buildings A, B, C & D. These are the buildings on the left as you enter our Prospect Community. Only former residents in those buildings are being contacted at this time. Residents from other buildings will be contacted in the coming months as those buildings near completion.

There is no set date yet on when the apartments will be ready to occupy, but it's getting close enough that we want to start getting paperwork in order! As a reminder, construction work is expected to continue through March 2025. We understand that due to changes in family size or other situations, former Prospect residents may need a different apartment than where they relocated from. Please contact our office with any concerns, as such situations will be handled on a case by case basis.

If you have any questions regarding this process, contact the
Prospect Management Office at 814-532-5514.

Office hours: Mon. – Fri. 8:00am – 4:00pm. Closed for lunch 12-1 pm.
