

## Welcoming Residents back to Prospect!

*(last updated March 20, 2025)*

As repairs in some apartments were in the final phases of completion, we contacted former Prospect residents by mail so that they could apply to return to their previous home. Included in the packet was a signature page to indicate if they are interested in returning to Prospect, and a housing application or transfer application. All applications are being processed normally, aside from having a special preference as a former Prospect resident.

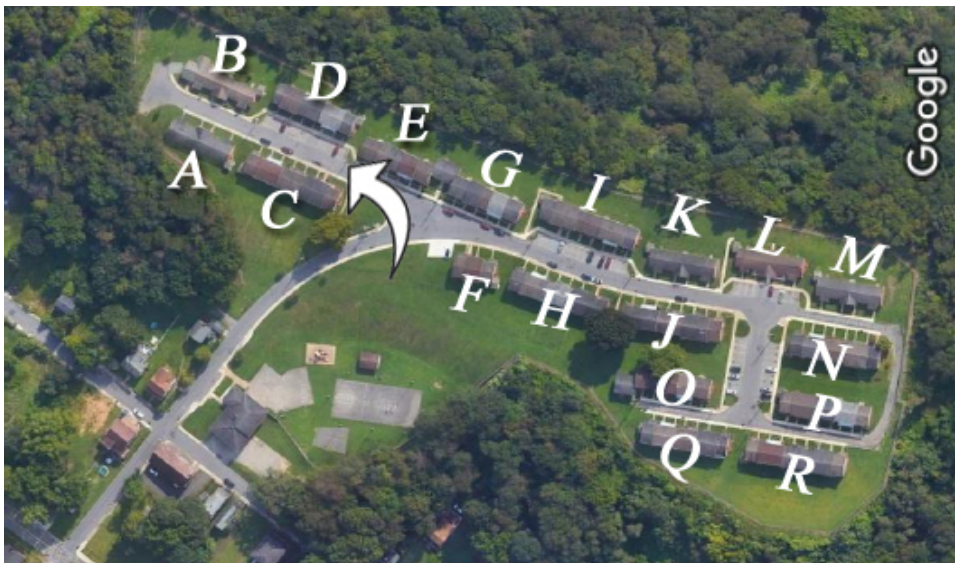

Letters were mailed to former residents of Buildings A-E in November 2024.

Letters were mailed to former residents of the rest of Gray Ave on January 17, 2025.

Letters were mailed to former residents of Conway Court on February 10, 2025.

The first phase of buildings to be completed and ready to occupy includes buildings A, B, C, D & E. These are the buildings on the left as you enter our Prospect Community. Residents have been moving back into those buildings gradually since early February 2025.

There are no set dates yet on when remaining apartments will be ready to occupy. Contractor work is currently expected to continue into April 2025. After contractors have completed their scope of work, JHA staff has to perform additional work items such as installation of appliances and other interior finishes. We understand that due to changes in family size or other situations, former Prospect residents may need a different apartment than where they relocated from. Please contact our office with any concerns, as such situations will be handled on a case by case basis.

If you have any questions regarding this process, contact the Prospect Management Office at 814-532-5514. Office hours: Mon. – Fri. 8:00am – 4:00pm. Closed for lunch 12-1 pm.
